Guided Tour

Guided tour

All your practice tests in a single place. In Desktop Learning Locker you will find all your MeasureUp products and you will also be able to manage your account, even without an Internet connection. Your offline test results can be automatically synchronized and uploaded to the cloud later when an Internet connection is available.

Practice Tests

Products in your Learning Locker can be displayed as icons or as a list. **Change the view** by clicking the two buttons on the right of the main toolbar. Each icon color will change as your results improve in **Certify mode**:

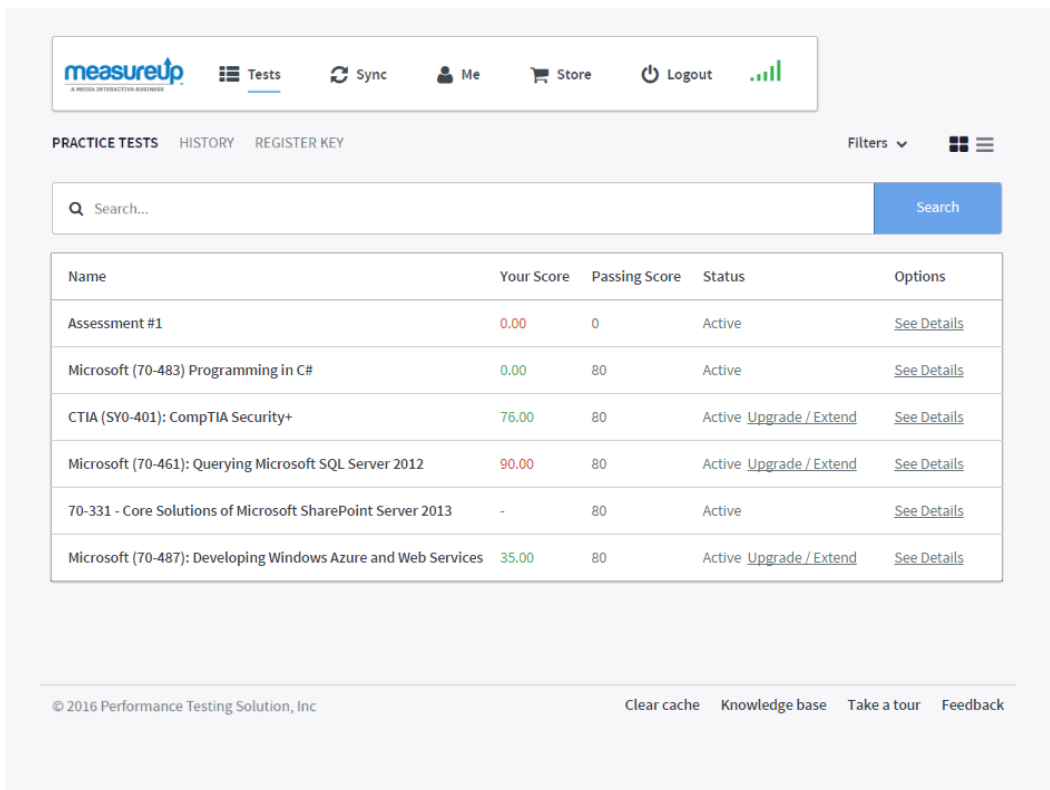

- **Gray:** No attempts have been made in Certify mode yet.
- **From Dark Red to Light Yellow:** Keep on studying. Your average score is under the cut-off score.
- **Light and Dark Green:** Good Job! Your average score is above or equal to the cut-off score.

The gradual color system will not be displayed until you have finished your first test in Certify mode.

The screenshot displays the MeasureUp Desktop Learning Locker interface. At the top, there is a navigation bar with the MeasureUp logo, a 'Tests' menu, and icons for 'Sync', 'Me', 'Store', 'Logout', and a signal strength indicator. Below the navigation bar, there are tabs for 'PRACTICE TESTS', 'HISTORY', and 'REGISTER KEY', along with a 'Filters' dropdown and a hamburger menu icon. A search bar is located below the tabs. The main content area features a grid of seven practice test cards. Each card displays the test title, status, score, and a list of topics. The cards are color-coded based on the user's performance: Gray (no attempts), Dark Red (score below cut-off), and Green (score above or equal to cut-off). The footer contains copyright information and links for 'Clear cache', 'Knowledge base', 'Take a tour', and 'Feedback'.

Register Key

If you make a purchase, you will be required to provide a product key before it is available in the Learning Locker. The product key is included in the confirmation that you will receive after the purchase.

The screenshot shows the 'Register Key' page in the MeasureUp Desktop Learning Locker. At the top, there is a navigation bar with the MeasureUp logo, a 'Tests' menu, and icons for 'Sync', 'Me', 'Store', 'Logout', and a signal strength indicator. Below this, there are tabs for 'PRACTICE TESTS', 'HISTORY', and 'REGISTER KEY', with 'REGISTER KEY' being the active tab. To the right of the tabs are 'Filters' and a hamburger menu icon. The main content area features a search input field with the placeholder text 'Insert Product Key' and a blue 'Register' button. Below the input field, there is a checked checkbox and the text 'I accept the License Agreement'. At the bottom of the page, there is a footer with the copyright notice '© 2016 Performance Testing Solution, Inc' and links for 'Clear cache', 'Knowledge base', 'Take a tour', and 'Feedback'.

Sync Options

If you take a practice test without an Internet connection, your results will be saved on your device. You may even modify your profile information. All your data will be uploaded to the cloud when you choose to, thanks to our Desktop Learning Locker sync system with your MeasureUp account.

The screenshot shows the 'Sync Options' settings page in the MeasureUp Desktop Learning Locker. At the top, there is a navigation bar with the MeasureUp logo, 'Tests', 'Sync', 'Me', 'Store', 'Logout', and a signal strength indicator. Below the navigation bar, there are tabs for 'OVERVIEW', 'SETTINGS', 'SYNC OPTIONS', 'CONNECTED DEVICES', and 'ALERTS AND ANNOUNCEMENTS'. The 'SYNC OPTIONS' tab is active. The settings are organized into a list of options, each with a toggle switch and a 'Save Settings' button at the bottom. The 'Enable Automatic Synchronization' option is turned on, with a 'Last Synchronization:' field. The 'Synchronize Every' option is set to '1 hour'. The 'Always Synchronized or Time Range' option is turned on, with 'From' and 'To' time range selectors. The 'Synchronize when the app starts', 'Synchronize when the app ends', and 'Synchronize after registering a key' options are all turned off. At the bottom of the page, there is a copyright notice for © 2016 Performance Testing Solution, Inc. and links for 'Clear cache', 'Knowledge base', 'Take a tour', and 'Feedback'.

Overview

In this section, information on your study History is presented as a graphic. On the right of this screen, you can edit your profile.

The screenshot displays the 'Overview' page of the MeasureUp Desktop Learning Locker. At the top, there is a navigation bar with the MeasureUp logo and several utility icons: Tests, Sync, Me (active), Store, Logout, and a signal strength indicator. Below the navigation bar, there are tabs for 'OVERVIEW', 'SETTINGS', 'SYNC OPTIONS', 'CONNECTED DEVICES', and 'ALERTS AND ANNOUNCEMENTS'. The main content area is divided into two sections. The first section, titled '70-331 - Core Solutions of Microsoft SharePoint Server 2013', contains a line graph showing a score of approximately 7. The second section, titled 'Microsoft (70-487): Developing Windows Azure and Web Services', contains a line graph showing a score of approximately 80. On the right side of the page, there is a user profile card for 'Student' with a placeholder for a profile picture, an email icon, a phone number '123-456-789', a location 'United States', and an 'Edit profile' button.
